Harmony

This week we have two new quilt kits that show how quilts made of the same fabric can end up looking very different! Both kits feature the new 'Harmony' Collection by Jan Patek for Moda.

First, we have the "Harmony, Sweet as Honey" Quilt Kit, which finishes at 52 x 61, and uses a Moda Honey Bun to make the blocks, as well as additional yardage from the Harmony collection.

Second, we have the "Cottage Garden" Quilt Kit, celebrating the comfort of home and the beauty of a garden flower. The quilt finishes at 58 x 58 and uses a Jelly Roll, Layer Cake, and a Charm Pack.

And, last but not least, don't forget that we have the full line of pre-Cuts and yardage if you want to envision a quilt creation that is all your own!

Have a Happy Quilting Weekend!
