## Beach House

by Blackbird Designs for Moda

Beach House beckons with sophisticated and dusty earthen colors. The blue of the splashing ocean, the variety of colors of the sand, and the pink of the last light at sunset are captured in this captivating collection. The yardage has just arrived, and we also have the full line of pre-cuts.

## Neptune

by Tula Pink for Moda

Neptune features a modern twist on the nautical theme. Look out for shells, fish, turtles, and seahorses in deep blues, refreshing aquas, coral pinks, & seaweed greens. This aquatic adventure awaits you. We just received the yardage, & also have the full range of pre-cuts available.

## Patisserie

by Fig Tree Quilts for Moda

Patisserie, which means 'Pastry Shoppe' in French, is a collection that came to Joanna Figueroa while window shopping in Paris. The muted, vintage colors are reminiscent colors she saw there. We just received in the yardage of this great collection, plus we have the full line of pre-cuts available.
